Christian Television Network

ENJOY LIFE. CONSIDER ETERNITY.

Brief History of CTN Corporate

On October 24, 1979, Florida's first Christian television station signed on the air. Soon more stations were added and thus was born the Christian Television Network. CTN provides unique, wholesome, award-winning programming for the entire family. Our network consists of a national feed agreement with Dish and DirecTV that includes 24 local stations, international satellite systems including CTNi (our Spanish speaking network), bringing the potential viewership for the entire network to 51 million house-holds and growing.

Vision Statement

We create and distribute media that enriches lives and prompts people to think about the purpose of their existence. We believe that God wants us to make the most of our time here on earth, and we believe that part of enjoying life is to love people like Jesus did.

Mission Statement

We want our media programming to reflect an enjoyment of life in Georgia and Alabama, while still inspiring viewers to consider eternity. We will not just tell people how to follow Jesus, but show all the advantages of a life that is best fulfilled when we give God access to all areas of our lives.

CTN-WYBU Production

Welcome to *TightLine Fishing* where we are sharing the Love of Christ while sharing our love of the outdoors!

Through our nationally televised fishing show or through in person fishing trips, our mission remains the same - to share the Gospel of Jesus Christ with a lost world.

Each week your host, Royce Railey, will teach you techniques for catching different species of fish, as well as other fishing tips and skills.

Near the middle of each show Royce shares a 3-4 minute devotion to encourage believers as well as shares the Gospel. If you like to fish fresh water or saltwater, *TightLine Fishing* is a fun, entertaining and informational fishing show. If you have friends who like to fish who don't know Christ, this show is a great way to share the Gospel with them!

For this ministry to be successful it must be covered by your prayers. From praying for the lost who we encounter, praying for safety while traveling and out on the water, to prayer that the ministry always keep our goal of reaching the lost for Christ, your prayers are critical for *TightLine* to keep going!
