NEW PROGRAMS SPOTLIGHT

DEVOTION^{TV}

DEVOTION TV brings families together daily as host **Brooks Gibbs** and his lovable puppet sidekick **Daily** explore the Bible one chapter at a time. Each engaging episode features Brooks and Daily reading and breaking down Scripture through fun trivia questions and lively discussions that make complex concepts accessible for viewers of all ages. This unique format creates a daily devotional experience the whole family can enjoy together, helping everyone grow in their faith and bring biblical understanding in just one chapter per day.

Grandma's Goodies

Sparked by a concern for young children under quarantine during Covid, Connie Neal felt led to be a light and a witness to children who no longer had the ability to interact with their peers or teachers. Seeing a great need, Connie created the character of "**Grandma Goodie**," a whimsical cross between Mr. Rogers and Mrs. Doubtfire. Now young children watching at home can glean a great blessing with both sweetness and humor and learn the Word of God!

LANCE WALLNAU

We are thrilled to feature so many great national ministries on CTN. The newest addition to our lineup is the renowned speaker, podcaster, and evangelist **Lance Wallnau**. He brings inspiring, significant, and relevant teaching to the body of Christ while discussing current events, politics, and spiritual insights. His byline is "**Truth will not be Silenced, Join the Resistance.**" Starting on Monday, January 6th you can watch on him on satellite and online at 9:30pm EST. Check local listings for viewing times in your area.

MANAGER SPOTLIGHT

We always love bragging on our General Managers and this time is no different!

Our manager's spotlight for this issue features the amazing **Adonis Lenzy** from our Nashville station. He was born in San Antonio, Texas, and went to school at Texas Bible Institute in Columbus, Texas. He then made his way east to Nashville in 2005.

He has been working with WHTN for over a decade, volunteering or hosting his own program *Inspiring Moments* or other shows. He has also authored and co-authored several books, as well as being a pastor of **Bridges Nashville**.

Husband to wife Heather for 16 years and the father of a tween and a teenager, he loves golf and enjoys all the sights and sounds on the course - even looking for that little white ball. One day he would love to go to the Masters Tournament in Augusta.

MINISTRY SPOTLIGHT

At the end of 2024, our President and Vice-President, Yolanda and Brian Morris, went to Kathmandu, Nepal, to visit our outreach *Children's Home of Love*. CTN has had this outreach since 2003, and during that time we have touched the lives of 41 children. This isn't just an orphanage; it is a family. We take them in from when they are young all the way through school, giving them education to receive a college degree or a trade. To date, 15 kids have received a college degree and now either run their own business or have wonderful jobs in their fields.

Brian and Yolanda spent time getting to know the four new girls that have come into the home recently and had a big barbeque with all of the children — even those that now live on their own came to the party. Seven of the kids graduated high school and received their adult study Bibles, something they always look forward to.

Brian and Yolanda then traveled to India to teach at a girls training center, preach in several churches, and bless a village church with some much needed upgrades to their building. They also traveled with one of the older girls from the Children's Home to attend nursing school. While there, they were able to surprise one of the girls in her 2nd year of nursing school who didn't know they were in the country. It was a fruitful trip and we couldn't do outreaches like this without you, our viewers and supporters of CTN.

DONOR SPOTLIGHT

Meet Jackie Goldstein: The gift that keeps on giving...

Jackie found peace in His presence, life for her soul watching CTN and why she decided to partner with our ministry:

"I start my day watching CTN. It's a great way to hear the Word of God and get the true news... CTN was a lifeline to me when my husband passed away a few years ago. When I was watching one morning, I heard about their Planned Giving Program. It piqued my interest. I am 70 years young and have a limited income. I thought it would be a good idea to learn more about the CTN Gift Annuity program.

"Through that program I would get an income for life and then give back to the ministry, impacting souls around the world for Christ! What better way to leave a legacy."

"Everyone we meet is our neighbor. Partnering with CTN gets the Word of God out to a lost and hurting world. I know I helped build a small piece of a bigger Kingdom through my giving. We are called to be good stewards of our finances. What better place to make a difference than to give to CTN..."

EXPANDING OUR REACH

We are growing — literally. Our station in West Palm Beach (WFGC) has been broadcasting since 1988 and we just got a power increase. Our signal has doubled in size, and will reach up to Fort Pierce and down south of Kendall which is over 100 miles.

We will be broadcasting to the Greater Miami community which houses over 6 million people and is the 18th largest metro in the country. Our General Manager, John Lucena, is excited about increasing this ministry reach.
