

YOUR GROWTH, OUR SPACE

Flexible On-Demand Solutions

The CTN App is currently on ROKU, FireTV, Apple TV, Google TV, iOS Mobile, and Android Mobile.

Pricing for On-demand programming on the CTN App is as follows:

- **\$100 one time set up fee** per sub-channel/program

CTN NATIONAL PROGRAMMER RATE

\$40

per episode per month to cover storage costs

NON-NATIONAL PROGRAMMER RATE

\$50

per episode per month to cover storage costs

Per month billing would be based on how many episodes were uploaded or previously uploaded within the current month.

For Example: *If your program decides to keep a rotation of 10 episodes on the channel, it would be \$400 a month / a rotation of 20 episodes, it would be \$800 per month, etc.*

A four-program minimum per month is required to begin your contract.

Payment is to be made in advance for the year, before your channel is set up.

What is needed for your channel:

1. **A channel thumbnail that represents your program**
2. **Description of the Program**
3. **Email communication for each episode to include the following metadata:**
File name uploaded to CTN's server • Air Date • Episode Title • Episode Description
4. **Optional thumbnail for each episode** (not required. If a thumbnail is not provided, one is automatically chosen from the auto created images).

Contracts signed on a yearly basis. Cancellation available with a 7-day notice before end of billing month.
